Sommario/riassunto	This book constitutes the thoroughly refereed post-conference proceedings of the First IFIP TC 3 International Conference on Stakeholders and Information Technology in Education, SaITE 2016, held in Guimarães, Portugal, in July 2016. The 15 full papers presented together with 2 short papers were carefully reviewed and selected from 48 submissions. They are organized in four topical sections: computer

studies - developing practices and involving stakeholders; teacher education - key stakeholder practices; developments in educational management; and information and communication technologies for social and national development.
