Entrepreneurial Reform, Market Expansion, and Political Engagement: Risks and Opportunities for Cuba Today -- 13. Onstage or Backstage? Latin America and U.S -- Cuban Relations -- 14. Conclusion.

Sommario/riassunto

This book explores the diverse consequences of Presidents Obama and Castro brokering a rapprochement between the United States and Cuba after more than half a century of estrangement. Economic, political, social, and cultural dynamics are analyzed in accessible fashion by leading experts from Cuba, the United States, Europe, and Latin America. What opportunities arise through the opening of diplomatic relations, and what issues may be obstacles to normalization? What are the implications for the Cuban economy, for its political system, and for ties with members of the Cuban diaspora? What are the implications for US relations elsewhere in Latin America? This up-to-date account addresses these and other questions about this new direction in US-Cuban relations.
