Popular legitimacy from the Chinese perspective -- 5. Ideological and political education in China -- 6. The institutionalization of the authoritarian leadership in China -- 7. Conclusion : a journey to popular legitimacy and party cohesion.
Sommario/riassunto	Why did the Chinese Communist Party (CCP) not follow the failure of the communist regimes in Eastern Europe and the Soviet Union? This book examines this question by studying two crucial strategies that the CCP feels it needs to implement in order to remain in power: ideological reform and the institutionalization of leadership succession.
