

1. Record Nr.	UNINA9910265227603321
Titolo	Biosecurity : understanding, assessing, and preventing the threat // edited by Ryan Burnette
Pubbl/distr/stampa	Hoboken, New Jersey : , : John Wiley & Sons, Inc., , [2013] ©2013
ISBN	1-118-76911-2 1-118-76901-5 1-78539-343-X 1-118-76895-7
Descrizione fisica	1 online resource (284 pages) : illustrations
Classificazione	TEC017000
Altri autori (Persone)	BurnetteRyan <1977->
Disciplina	363.325/3
Soggetti	Biosecurity Bioterrorism - Prevention Biological weapons - Safety measures
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	part I. An introduction to biosecurity -- part II. Elements of biosecurity -- part III. Biosecurity in various sectors -- part Ivolume Biosecurity policy, bioterrorism, and the future.
Sommario/riassunto	"This book defines the concepts of biosecurity, biosafety, and biosurety and shows how they relate to one another under the overall framework of biodefense. The book also addresses biosecurity strategies for non-laboratory settings, including private sector facilities, the transportation infrastructure, and the food and agriculture sector including insurance, healthcare, the global supply chain, and agriculture. Discussions also include bioterrorism, biosecurity operations, various existing biosecurity programs, and biosecurity ethics. Designed to reach a wide variety of professionals, this resource provides a balanced and accessible look at biodefense and its applications"--
