Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Familial intensities -- The functioning family -- Communities against politics -- Silence: a politics -- I [heart] my dog -- The spaces of disability -- Familiar languages.
Sommario/riassunto	Ferguson starts with the commonplace assumption within political philosophy that the family provides the ideal model for political association. Yet families are not necessarily harmonious units. Ferguson takes up several situations to think about how familial attachments can offer insight into the creation of a pluralistic and democratic society.
