Fox -- What if becoming a teenage parent saved your life? / Jenny Hindin Miller -- The 'missing' parent: teenage fathers talk about the meaning of early parenthood / Keith Tuffin, Gareth Rouch and Karen Frewin -- Coda: the promise of re-assembling the pregnant and parenting teenager / Annelies Kamp and |

Majella McSharry.

Sommario/riassunto

Drawing in contributions from the United States, the United Kingdom and Republic of Ireland and Aotearoa New Zealand, this book seeks to foreground shifting experiences of teenage pregnancy and parenting in time and space. In the process, the work cuts across enduring "stigma" contests and dominant discourses which seek to capture, understand and render fixable the "problem" of teenage pregnancy and parenting, whichever discourse is being privileged.
