Sommario/riassunto	This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. This book provides a comprehensive and detailed analysis of the five main parties of the extreme right in the Netherlands (Centrumdemocraten, Centrumpartij), Belgium (Vlaams Blok), and Germany (Die Republikaner, Deutsche Volkunion). Using primary research - including internal party documents - it concludes that rather than right-wing and extremist, the core ideology of these parties is xenophobic nationalist, including also a mix of law and order and welfare chauvinism. The author's research and conclusions have broader implications for the study of the extreme-right phenomenon and party ideology in general.
