Pubbl/distr/stampa	New York : , : Palgrave Macmillan US : , : Imprint : Palgrave Macmillan, , 2018
ISBN	1-349-95366-0
Edizione	[1st ed. 2018.]
Descrizione fisica	1 online resource (XXI, 189 p. 7 illus.)
Disciplina	155.2
Soggetti	Self Identity (Psychology) Cognitive psychology Emotions Health psychology Self and Identity Cognitive Psychology Emotion Health Psychology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	1. Introduction -- 2. The Twofold Structure of Human Beings -- 3. Ownership -- 4. When Ownership and Agency Collide: The Phenomenology of Limb-Disownership -- 5. The Complex Relations between SA and SBO during Trauma and the Development of Body-Disownership -- 6. Self-injuring Behavior -- 7. The Destructive Nature of Complex PTSD -- 8. Body Disownership: Concluding Remarks.
Sommario/riassunto	This book explores the long-term outcomes of severe and ongoing trauma—particularly complex posttraumatic stress disorder (C-PTSD)—from phenomenological and cognitive perspectives. For example, C-PTSD can result in impairments at the body-schema level. In order to survive, trauma victims may conduct their lives at the body-image level, thus producing a mismatch between body schema and body image. In turn, as in the case of somatoparaphrenia and body integrity identity disorder, this incongruity can result in body disownership,

which will affect long-term outcomes of severe and ongoing trauma.
