                        access -- Systematization -- Education in urban history --
                        Organizational perspectives.

   Sommario/riassunto   This book constitutes the refereed proceedings of the 5th Conference
                        on Digital Encounters with Cultural Heritage, DECH 2017, and the First
                        Workshop on Research and Education in Urban History in the Age of
                        Digital Libraries, UHDL 2017, held in Dresden, Germany, in March
                        2017. The 11 revised full papers from DECH 2017 and two revised full
                        papers from UHDL 2017 presented in this volume were carefully
                        reviewed and selected from 33 joint submissions. The papers are
                        organized in topical sections on research on architectural and urban
                        cultural heritage; technical access; systematization; education in urban
                        history; organizational perspectives.
