This book constitutes the refereed proceedings of the IFIP WG 8.2 Working Conference on Information Systems and Organizations, IS&O 2018, held in San Francisco, CA, USA, in December 2018. The 11 revised full papers presented together with one short paper and 2 keynote papers were carefully reviewed and selected from 47 submissions. The papers are organized in the following topical sections: setting the stage; social implications of algorithmic

phenomena; hybrid agency and the performativity of technology; and living with monsters.
