Sommario/riassunto	This volume presents recent research on Methodologies and Intelligent Systems for Technology Enhanced Learning. It contains the contributions of MIS4TEL 2015, which took place in Salamanca, Spain,. On June 3rd to 5th 2015. Like the previous edition, this proceedings and the conference is an open forum for discussing intelligent systems

for Technology Enhanced Learning and empirical methodologies for their design or evaluation MIS4TEL'15 conference has been organized by University of L'aquila, Free University of Bozen-Bolzano and the University of Salamanca. .
