ISBN	3-319-73414-8
Edizione	[1st ed. 2018.]
Descrizione fisica	1 online resource (286 pages) : illustrations
Disciplina	341.24220941
Soggetti	Law—Europe International relations Comparative government Europe—History European Law International Relations Comparative Politics European History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references at the end of each chapters.
Nota di contenuto	Part I Historical approach of UK to the European Integration -- Part II British strategy to the European communities before accession -- Part III The UK inside the European Communities/Union -- Part IV The British and European future.
Sommario/riassunto	While the discussions among Brexiters mainly focus on the referendum of 2016 or David Cameron's "great miscalculation" and its repercussions, this book looks at the Brexit as a process that began decades earlier. It analyses EU-UK relations from a new perspective, taking into consideration the historical background, political aspects, and legal and economic matters. The book provides a holistic understanding of the Brexit, approaching the referendum and its outcomes as the culmination of a long process rather than an isolated political event crafted within the corridors of Westminster or Downing Street 10. Accordingly, it addresses a range of thematic issues, historical patterns of political and economic behavior both within and

beyond the United Kingdom, and possible future effects on relations between the Union and one of its most important members. .
