

1. Record Nr.	UNISA990000534760203316
Autore	DELLI SANTI, Riccardo
Titolo	Compendio di urbanistica residenziale : principi di diritto, formulario di convenzioni e codice di leggi per la residenza / Riccardo Delli Santi, Antonella Terranova
Pubbl/distr/stampa	Milano : Guifré, 1994
ISBN	88-14-04123-7
Descrizione fisica	XIV, 518 p. ; 24 cm
Collana	Cosa & come , Casa e territorio
Altri autori (Persone)	TERRANOVA, Antonella
Disciplina	344.450636358
Soggetti	Edilizia residenziale - Legislazione
Collocazione	XXX.B. Coll. 13/ 89 (IRA 40 55)
Lingua di pubblicazione	Italiano
Formato	Materiale a stampa
Livello bibliografico	Monografia

2. Record Nr.	UNINA9910300071203321
Titolo	The Behavioral Consequences of Stroke / / edited by Tom A. Schweizer, R. Loch Macdonald
Pubbl/distr/stampa	New York, NY : , : Springer New York : , : Imprint : Springer, , 2014
ISBN	1-4614-7672-0
Edizione	[1st ed. 2014.]
Descrizione fisica	1 online resource (359 p.)
Altri autori (Persone)	SchweizerTom A MacdonaldR. Loch
Disciplina	610 612.8 616 616.8
Soggetti	Neurology Surgery Critical care medicine Internal medicine Primary care (Medicine) Neurosciences Intensive Care Medicine Internal Medicine Primary Care Medicine Neuroscience
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Stroke Epidemiology, Etiology, and Background -- Treatment of Stroke -- Sensorimotor Control after Stroke -- Limb Apraxia: Types, Neural Correlates, and Implications for Clinical Assessment and Function in Daily Living -- Spatial Neglect: Not Simply Disordered Attention -- Post-Stroke Aphasia -- Disorders of Emotional Communication after Stroke -- Dysexecutive Syndrome after Stroke -- Memory Loss after Stroke -- Behavior after Aneurysmal Subarachnoid Hemorrhage: Cognition and Functional Outcome -- Cognitive Dysfunction after Intracerebral Hemorrhage, Vasculitis, and Other Stroke Syndromes --

**Sommario/riassunto**

A comprehensive, state-of-the-art contribution to a field that is rapidly developing, *The Behavioral Consequences of Stroke* provides a broad overview of the cognitive and neurobehavioral effects of stroke. As attention to paralysis and the more obvious physical disabilities stroke patients incur expands, greater attention is being paid today to the cognitive and neurobehavioral complications that impact stroke morbidity and even functional neurological recovery in patients. Written by an international panel of experts and edited by a neurosurgeon and by a cognitive neuroscientist, this unique title addresses the full range of issues relevant to the field, including epidemiology, general treatment, sensorimotor control after stroke, post-stroke aphasia, memory loss after stroke, post-stroke depression, the role of imaging after a stroke, and an update on some stroke clinical trials, to name just some of the areas covered. Illuminative and an influential addition to the literature, *The Behavioral Consequences of Stroke* will serve as an invaluable resource for neurologists, neurosurgeons, physiatrists and other physicians, as well as physical, speech and occupational therapists, nurses, psychologists, and other professionals.
