

1. Record Nr.	UNINA9910300198403321
Autore	Norman Robert A
Titolo	Clinical Cases in Integrative Dermatology / / by Robert A Norman, Reena Rupani
Pubbl/distr/stampa	Cham : , : Springer International Publishing : , : Imprint : Springer, , 2015
ISBN	3-319-10244-3
Edizione	[1st ed. 2015.]
Descrizione fisica	1 online resource (127 p.)
Collana	Clinical Cases in Dermatology, , 2730-6178 ; ; 4
Disciplina	610 616.5
Soggetti	Dermatology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Acne -- Atopic Dermatitis -- Psoriasis -- Warts -- Hyperhidrosis -- Lichen Planus -- Pruritus -- Psychoneurodermatitis -- Rosacea -- Skin Cancer -- Vitiligo -- Alopecia Areata -- Photo Aging -- Stasis Dermatitis / Lymphedema -- Telogen Effluvium -- Notalgia Paresthetica -- Hidradenitis Suppurativa -- Allergic Contact Dermatitis -- Raynauds -- Lupus -- Urticaria -- Tinea -- Candidiasis -- Impetigo And MRSA Infections -- Cosmetics.
Sommario/riassunto	This book serves as a useful clinical guide on integrative dermatology for dermatologists, internists, family practitioners, pediatricians, and anyone else charged with the care of the skin. The case-based format distinguishes this work from a reference-style textbook, allowing readers to relate the presented cases to their own patients. Integrative dermatology is a relatively newly-defined field but is steadily increasing in popularity. Clinical Cases in Integrative Dermatology provides insight for clinicians and patients in handling the skin, with each chapter serving as a springboard for further pursuit and more extensive training. It will enable those new to the field to begin to develop a literacy and competence, while the more experienced learner will find new ways to sharpen their diagnostic and treatment skills.
