Sommario/riassunto	Critical Social Welfare Issues is a collection of lectures by noted social welfare experts that addresses paramount issues facing society and suggests recommendations for positive change. It is a useful handbook for social workers, psychologists, educators, health professionals, and human service administrators and a valuable text for students studying

social welfare policy and social work in health care. The result of the Distinguished Lecturers Series instituted at the State University of New York at Stony Brook, Critical Social Welfare Issues brings nationally recognized and outsta
