Soggetti	Literature & literary studies
Lingua di pubblicazione	Tedesco
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>Es war bekanntlich Vuk Stefanovi Karadži, der mit seinem Werk einen Wendepunkt in der Geschichte der serbischen Sprache und ihrer Orthographie markiert. Dieses Werk, das nicht nur groß ist, weil es Neues brachte, sondern auch, weil es zielsicher in die gesellschaftliche Wirklichkeit hineingetragen wurde, hat nahezu alle progressiven Ideen der Vorläufer Vuks in sich aufgenommen. Einer dieser Vorläufer, dem Vuk wohl am meisten verdankt, was die Reform der serbischen Kyriliza und Orthographie wie die Auffassung des phonologischen Prinzips betrifft, ist Sava Mrkalj, eine ebenso bedeutende wie tragische Persönlichkeit des serbischen kulturellen Lebens am Anfang des 19. Jahrhunderts.</p>

Nota di contenuto	1. Introduction: The Problem of Conflict Resolution -- 2. Perspectives on Conflict Resolution -- 3. The Sources of Violent Conflict and the Banality of Conflict Resolution -- 4. Problems of Knowledge, Power and Political Will -- 5. States, Leaders, Governance and Why Conflict Resolution Fails -- 6. Why Belligerents Choose Conflict Over Peace.
Sommario/riassunto	This book discusses the following questions: Why are some conflicts so enduring and why is conflict resolution so hard? The author begins by introducing two conflicting perspectives, Skeptics and Believers, to highlight the lack of consensus on conflict resolution. The book further examines the literature on the sources of violent conflict, including ethnic, economic, environmental, and religious sources, and investigates the claim that an absence of knowledge, power, or political will are at the center of conflict resolution failures. By focusing on the problem of state formation, the author demonstrates the ways in which the nature of the state contributes to violent conflict. In the end, conflict resolution fails because individuals, groups, and external powers choose war and often prefer it over peaceful alternatives. Ian S.

Spears is Associate Professor of Political Science at the University of Guelph, Canada, and Senior Research Associate at the University of Johannesburg, South Africa. He is the author of *Civil Wars in African States: The Search for Security*, and co-editor (with Paul Kingston) of *States Within States: Incipient Political Entities in the Post-Cold War Era*.
