Shakespeare and Paul in Illyria -- 7. Nashe and Harvey in Illyria -- 8. M. O.A.I. deciphered at last -- 9. Beginning at the beginning -- 10. Tributes private and public -- Epilogue: Personal Shakespeare -- Index.
Sommario/riassunto	This book shows that William Shakespeare was a more personal writer than any of his innumerable commentators have realised. It asserts that numerous characters and events were drawn from the author's life, and puts faces to the names of Jaques, Touchstone, Feste, Jessica, the 'Dark Lady' and others. Steven Sohmer explores aspects of Shakespeare's plays and sonnets that have been hitherto overlooked or misinterpreted in an effort to better understand the man and his work. If you've ever wondered who Pigromitus was, or why Jaques spies on Touchstone

and Audrey - or what the famous riddle M.O.A.I. stands for - this is the book for you.

An accessible, enojoyable, occasionally speculative study based on a vast amount of research into some of Shakespeare's more uninterpretable moments.
