Sommario/riassunto	In the early 1990s, a wave of democratisation swept the African continents, resulting in a flurry of constitution-making and constitutional revision. Two decades later, leading experts in the fields of public law, political sciemnce and democratisation studies assess to what extent accountable governance has takenroot in Africa. this book represenets new knowldge about legal and political developments in a number of African countries - Ghana, Malawi, Mali, South Africa, Tanzania, Uganda and Zambia, with further references to Mozambique, Kenya and Swaziland - bringing the policy goal of developing and deepening democratic governance and accountable government on the continent up to date.

Holliday.

## Sommario/riassunto

A Public Health Approach to Bullying Prevention will serve as a practical, sustainable, cost-efficient strategy to tackle bullying. More importantly, it may be the best approach to providing legitimate and sustainable hope to our children at a time when bullying is becoming increasingly more difficult to tackle. This book presents a public health approach to bullying prevention in a comprehensive and deliberate manner. Formal public health strategies have been used to combat infectious disease epidemics, tobacco use, and motor vehicle injuries. When applied to bullying, public health strategies
