Livello bibliografico	Monografia
Note generali	This edition previously issued in print: 2018.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	This text presents a new logical framework to capture the meaning of sentences in conversation. It is based on a richer notion of meaning than traditional approaches, and allows for an integrated treatment of statements and questions. The first part of the text presents the framework in detail, while the second demonstrates its many benefits.
