

1. Record Nr.	UNINA9910324056703321
Titolo	32nd International Conference on VLSI Design : held concurrently with 18th International Conference on Embedded Systems : proceedings : New Delhi, India, 5-9 January, 2019 // Institute of Electrical and Electronics Engineers ; in-cooperation with ACM SIGDA/SIGMICRO ; technical co-sponsorship, IEEE Circuits and Systems Society (IEEE CASS) [and six others] ; sponsored by VLSI Society of India
Pubbl/distr/stampa	Piscataway, New Jersey : , : Institute of Electrical and Electronics Engineers, , 2019
ISBN	1-7281-0409-2
Descrizione fisica	1 online resource (554 pages)
Disciplina	65621.395
Soggetti	Integrated circuits - Very large scale integration - Design and construction Electronic digital computers - Circuits Signal processing - Digital techniques Embedded computer systems
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
