**Sommario/riassunto**

Basic Groupwork is a simple, practical guide to the processes of groupwork. This new edition has been extensively updated and revised to reflect the changes which have taken place in society and social behaviour since it was first published in 1978, but in essence it remains an accessible and friendly text for the novice practitioner. In logical sequence the book follows the progress of one group from inception to close and exposes how groups work. Basic group processes explained include: how individuals bring their personal habitual responses to situations into a gro
