Adams -- Chapter 11. Taxation and the Revolutionary Inheritance: Tax Proposals, Legitimacy, and the Irish Free State, 1922-32; Jason Knirck -- Chapter 12. The Economic War and the Pamphlet War; Aidan Beatty -- Chapter 13. The Irish Tax State and Historical Legacies: Slowly Converging Capacity, Persistent Unwillingness to Pay; Michelle D'Arcy and Marina Nistotskaya.

Sommario/riassunto

This book examines the politics of taxation in Ireland between the seventeenth and twenty-first centuries. Combining political, economic, and policy history, it contributes to a growing interdisciplinary literature on public finance, while also providing context for the ongoing debate on taxation and austerity in post-Celtic Tiger Ireland. *Taxation, Politics, and Protest in Ireland* illuminates a neglected aspect of Irish history, and will be of interest to scholars, policymakers, and members of the public who wish to understand a subject that is central to the modern Irish experience.
