The Development and Proliferation of Trust in Small Groups -- 7. Connection with God and the Small Group Leader -- 8. Small Group Leaders and the Betterment of the Family -- 9. Conflict Reduction and Peace of Mind -- 10. Conclusion.
Sommario/riassunto	This book examines the principles and procedures implemented by Moses for developing leaders. Using Exodus 18 as the basis, the author explores how leadership skills are best developed in small group settings. The author then delves into contemporary leadership principles, such as authentic leadership, and how organizations can develop leaders at every level of the organization. Issues such as accountability, ethics, and trust will be discussed at length, with an examination of the expected outcomes of training leaders at all levels.

This book will be a valuable addition to the leadership literature in showing how biblical leadership principles can be used in contemporary organizations.
