Sommario/riassunto	This companion to the classic reference work The Statesman's Yearbook provides detailed biographies of past leaders and figureheads not found in the annual publication, and also includes comprehensive chronologies of natural disasters and key political events, as well as overviews of major global cities. In addition to facts and figures, the publication also includes infographics commemorating the anniversaries of key historical events as well as a number of synopses of relevant and related publications. Alongside The Statesman's Yearbook, The Statesman's Yearbook Companion continues to provide accurate and reliable information about politics, culture and the world. Contains detailed accounts of past leaders and key political figures Includes profiles of major cities Contains infographics and chronologies never before seen in the print edition of The Statesman's Yearbook

Contains a selection of short synopses of related publications.
