Impact on Sexual Orientation and Gender Identity Rights in the UK (Dunne) -- Part III -- 12 Brexit and the Work-family Conflict (Weldon-Johns) -- 13 Foreboding Newness: Brexit and Feminist Civil Society in Scotland (Ritch) -- 14 Brexit, Gender and Northern Ireland (Galligan) -- Part IV -- 15 Through the Looking Glass: Brexit, Defence and Security Through the Lens of Gender (Barrow) -- 16 The likely Economic Impact of Brexit on Women: Lessons from Gender and Trade Research (Stephenson, Fontana) -- 17 Splendid Isolation? On How a Non-Member Is Affected By (And Affects) EU Gender Equality Policy (Skjeie, Holst, Teigen) -- 18 Conclusion (Dustin, Ferreira, Millns).

Sommario/riassunto

This collection examines the opportunities and challenges, rights and wrongs, and prospects and risks of Brexit from the perspectives of gender and sexuality. While much has been written about Brexit from legal, political, social and economic perspectives, there has been little analysis of the effects of Brexit on women and gender/sexual minorities who have historically been marginalised and whose voices have been less audible in political debates – both nationally and at the European level. The collection explores how Brexit might change the equality, human rights and social justice landscape, but from the viewpoint of women and gender/sexual minorities. The contributions gathered in it demonstrate the variety of ways that Brexit will make a difference to the lives of women and individuals marginalised because of gender or sexual identity.
