Love Your Neighbors as Yourself, Love Your Neighbors Like Yourself A Project for Peace; Part Four. Conclusions; General Conclusions from NATO Advanced Research Workshop; Inter-Religious Dialogue; Author Index

Sommario/riassunto

It has long been a common place of Balkan Studies and historical writing about the Balkans to state that religion is often a major factor in conflicts. This publication illuminates the background to this complex religious culture in Albania and also touches upon subjects of importance in relevant neighboring nations (Greece and Montenegro).
