style democracy? / Surin Maisirikrod -- Timor-Leste : the harsh reality after independence / Damien Kingsbury -- Vietnam : the Tenth Party congress and after / Carlyle A. Thayer -- Vietnam : preparations for WTO membership / Binh Tran-Nam.

Sommario/riassunto

Southeast Asian Affairs 2007 provides an informed and readable analysis of the events and developments in the region in 2006. In the regional section of this volume, the first two articles provide the political and economic overview of Southeast Asia, while the third and fourth examine the character of political development in the region. Eleven country reviews as well as five special theme articles follow, delving into domestic political, economic, security, and social developments during 2006 and their implications for countries in the region and beyond.
