

1. Record Nr.	UNINA9910346762203321
Autore	Rigoll Fabian
Titolo	Nutzerorientiertes Energiedatenmanagement
Pubbl/distr/stampa	KIT Scientific Publishing, 2017
ISBN	1000069291
Descrizione fisica	1 electronic resource (XII, 271 p. p.)
Lingua di pubblicazione	Tedesco
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Energy data often is critical data which can negatively affect users' privacy. Therefore, this work presents a user-oriented energy data management system which does not only comply with technical requirements but also lives up to users' demands in terms of privacy and data protection.
