

1. Record Nr.	UNINA9910347057703321
Autore	Zimmer Jochen Oltmann
Titolo	Cooper pair transport in arrays of Josephson junctions = Cooperpaartransport in Feldern von Josephson-Kontakten
Pubbl/distr/stampa	KIT Scientific Publishing, 2014
ISBN	1000037103
Descrizione fisica	1 online resource (148 p. p.)
Collana	Experimental Condensed Matter Physics / Karlsruher Institut für Technologie, Physikalisches Institut
Soggetti	Physics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	this work, the fabrication, measurement and analysis of several one- dimensional SQUID arrays is described. The temperature and flux dependence of the thermally activated charge transport is analysed, and compared to a theoretical model.
