Attitudes to work in professional football; 3. Uncertainty and football injuries; 4. Injuries, stigma and social identity; 5. Transferring and the transformation of self; 6. Transfer markets and informal grapevines; 7. Control and the process of transferring; 8. The fate of idealism in professional football; Conclusion; Notes; Bibliography; Index
Sommario/riassunto	A long-term study providing rare insights into the precarious career and ordinary working culture of professional footballers. Away from the celebrity-obsessed media gaze, the work of a professional footballer is rarely glamorous and for most players a career in football is insecure and short-lived. A former professional, Martin Roderick's familiarity with the world of football is the foundation for this privileged research into a world that is typically closed to the public gaze and ignored by media reportage and academic research which prefers to focus on a small, unrepresentative
