On the Blacks' Back; Conclusion: Leaving the Boot Room; Notes Select BibliographyIndex
Sommario/riassunto	Part of the Sport in the Global Society series, this innovative and creative text explores collective history, memory, and sport culture, tracking the passage of sports away from England. The author investigates why 'elite' English sports - such as rugby and cricket - became national sports in New Zealand and Australia, and asks why 'working class' English sports - such as football - have travelled less

well to these areas. Focusing on these sports, the author tracks narratives and myths, tracing the passage of colonial truths, behaviours and practices. Clearly defined
