The legacy of past caring; 3. Crossing the threshold; 4. Creators of care: staff; 5. The physical world; 6. Institutional living; 7. Private lives in public places; 8. Unfinished business; Appendix 1; Appendix 2; References; Name index; Subject index Public Order and Private Lives is a radical examination of the political Sommario/riassunto forces which shape the law and order debate in Britain. Mike Brake and Chris Hale provide a hard-hitting analysis of Conservative policies on Crime, showing that, ironically, Conservative policies have created the

very social conditions in which crime has flourished. They argue that

the government is undermining basic civil liberties by its increased use of legislation as a means of control and coercion.
