Sommario/riassunto	The UK government of Tony Blair is committed to fostering a European dimension of planning practice. Significant developments in relation to planning within Europe are occurring. The creation of the European Spatial Development Perspective, the reform of the Structural Funds, and the implementation of programmes to foster trans-national co-operation between governments, will all impact on UK government, and on planning system in particular. Even within the UK, devolution and regionalisation will bring new pressures for overall co-ordination on the issue of European spatial planning. Issues con
