Hurt -- The international financial institutions' relations with Africa : insights from the issue of representation and voice / Caroline Thomas -- From Congo to Congo : United Nations peacekeeping in Africa / Adekeye Adebajo.
Sommario/riassunto	Locating Africa on the global stage, this book examines and compares external involvement in the continent, exploring the foreign policies of major states and international organizations towards Africa. The

contributors work within a political economy framework in order to study how these powers have attempted to stimulate democracy, peace and prosperity in the context of neo-liberal hegemony and ask whom these attempts have benefited and failed.
