   Sommario/riassunto   This book constitutes the thoroughly refereed post-conference
                        proceedings of the 16th International Conference on Smart Card
                        Research and Advanced Applications, CARDIS 2017, held in Lugano,
                        Switzerland, in November 2017. The 14 revised full papers presented
                        together with 2 abstracts of invited talks in this book were carefully
                        reviewed and selected from 48 submissions. CARDIS has provided a
                        space for security experts from industry and academia to exchange on
                        security of smart cards and related applications.
