   Nota di contenuto   Dialogue and Spoken Language Understanding -- Language Analysis
                        and Generation -- Speech Analysis and Synthesis -- Speech
                        Recognition -- Text Analysis and Classification.

   Sommario/riassunto   This book constitutes the proceedings of the 7th International
                        Conference on Statistical Language and Speech Processing, SLSP 2019,
                        held in Ljubljana, Slovenia, in October 2019. The 25 full papers
                        presented together with one invited paper in this volume were carefully
                        reviewed and selected from 48 submissions. They were organized in
                        topical sections named: Dialogue and Spoken Language Understanding;
                        Language Analysis and Generation; Speech Analysis and Synthesis;
                        Speech Recognition; Text Analysis and Classification.
