   Sommario/riassunto This book constitutes the proceedings of the 7th International
                       Conference on Statistical Language and Speech Processing, SLSP 2019,
                       held in Ljubljana, Slovenia, in October 2019. The 25 full papers
                       presented together with one invited paper in this volume were carefully
                       reviewed and selected from 48 submissions. They were organized in
                       topical sections named: Dialogue and Spoken Language Understanding;
                       Language Analysis and Generation; Speech Analysis and Synthesis;
                       Speech Recognition; Text Analysis and Classification.
