| Nota di contenuto       | Workshop Scientific Computing Infrastructure (SCI 2018) -- 10th International Symposium on Software Engineering Processes and Applications (SEPA 2018) -- Workshop Challenges, Trends and Innovations in VGI (VGI 2018) -- Workshop Virtual Reality and Applications (VRA 2018).                                                                                                                                                                                                                        |
| Sommario/riassunto      | The five volume set LNCS 10960 until 10964 constitutes the refereed proceedings of the 18th International Conference on Computational Science and Its Applications, ICCSA 2018, held in Melbourne, Australia, in July 2018. Apart from the general tracks, ICCSA 2018 also includes 34 international workshops in various areas of computational sciences, ranging from computational science technologies, to specific areas of computational sciences, such as computer graphics and virtual reality. |
