

1. Record Nr.	UNINA9910349465803321
Autore	Koh Ik Soo
Titolo	Filler Complications : Filler-Induced Hypersensitivity Reactions, Granuloma, Necrosis, and Blindness // by Ik Soo Koh, Won Lee
Pubbl/distr/stampa	Singapore : , : Springer Singapore : , : Imprint : Springer, , 2019
ISBN	981-13-6638-1 981-13-6639-X
Edizione	[1st ed. 2019.]
Descrizione fisica	1 online resource (XIII, 115 p. 138 illus., 137 illus. in color.)
Disciplina	617.952
Soggetti	Plastic surgery Plastic Surgery
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	1. Classification of filler complications -- 2. Hyaluronic acid filler and hyaluronidase -- 3. Granulomas and chronic inflammation -- 4. Danger zones -- 5. Skin necrosis- 6. Visual complications of filler injections.
Sommario/riassunto	This book is a comprehensive, up-to-date, and clearly organized guide to the avoidance, identification, and treatment of complications associated with filler injections. With the aid of a wealth of high-quality illustrations, the various complications that may be encountered when performing filler injections are described and documented. There is a particular focus on granulomas, skin necrosis, and blindness and vision loss, but the full range of less serious complications is also covered, with complete description of the current treatment guidelines for each complication. In addition, the classification of filler complications is clearly explained and regions especially susceptible to adverse events are identified. The book, written by plastic surgeons with vast experience in the field, is exceptional in the breadth and depth of its coverage of filler complications. It will be invaluable for aesthetic and plastic surgeons, dermatologists, and all other providers of filler injections.
