Strangler -- Case 10 – The Milwaukee Cannibal-Murderer -- Case 11 – The Tuen Mun Serial Rapes and Homicides -- Case 12 – The Colombian Serial Rapes and Homicides of Young Boys -- Case 13 – The Washington Green River Killer -- Conclusion.
Sommario/riassunto	This book comprehensively discusses 13 infamous cases of serial and non-serial sexual homicide committed around the globe in the past four decades (1974–2010). Offering a psycho-criminological perspective, it analyzes the cases theoretically (i.e., contributing and precipitating factors, and offender typology) and considers the practical

implications (i.e., investigative and crime-preventive measures, and social services). The first book to offer a glimpse of this topic from a global perspective, it adopts a unique approach—case background and critical analysis. As such it is a valuable source of reference for scholars, clinicians, and law enforcement practitioners wanting to gain a better understanding of this type of violent offender.
