Chapter 6: Cultural rights of third-country nationals – regular migrants -- 7. Chapter 7: Conclusion.
Sommario/riassunto	Cultural Rights of Third-Country Nationals in EU Law provides a complex analysis of the cultural rights of third-country nationals in

European Union Law. Originally published in Polish and translated into English for the first time, this book examines EU migration policy and law from the perspective of cultural rights protection for migrants as a part of the overall system of human rights protection in the EU. In offering a careful analysis of these standards and their implementation mechanisms, Cultural Rights of Third-Country Nationals in EU Law will be of use to all researchers on EU law, especially in the areas of asylum law, migration law and the protection of the borders. It will also be useful to scholars and practitioners in the area of cultural policy.
