Outliers -- Chapter 14. Bake Believe.

Sommario/riassunto

This book presents the proceedings of the 2nd EAI International Conference on Technology, Innovation, Entrepreneurship and Education (TIE' 2018), which took place at Ravensbourne University London, London, UK, on September 4, 2018. The central theme of the conference is emerging technologies in relation to business, education, social and political needs that make modern society flourish. The proceedings feature papers from a cross-disciplinary audience that explore the process of creativity and innovation. The goal is that the various disciplines can learn from each other and see how they might benefit from the cross-fertilization of practices Presents proceedings of the 2nd EAI International Conference on Technology, Innovation, Entrepreneurship and Education (TIE 2018), London, UK, September 4, 2018 Features papers on emerging technologies in relation to business, education, social and political needs Includes perspectives from a multi-disciplinary selection of researchers, academics, and professionals from around the world.
