Autore	Chandra Ramesh
Titolo	Allyn Abbott Young // by Ramesh Chandra
Pubbl/distr/stampa	Cham : , : Springer International Publishing : , : Imprint : Palgrave Macmillan, , 2020
ISBN	9783030319816 3030319814
Edizione	[1st ed. 2020.]
Descrizione fisica	1 online resource (xiv, 348 pages)
Collana	Great Thinkers in Economics, , 2662-6284
Disciplina	330 330.092
Soggetti	Economics - History Econometrics Economic history Economic development History of Economic Thought and Methodology Quantitative Economics Economic History Economic Growth
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	1. Introduction -- 2. Intellectual Influences on Allyn Young -- 3. Nature, Scope and Method of Economics -- 4. Allyn Young's Contribution to Growth Theory -- 5. Allyn Young's Contribution to Economic Theory -- 6. Allyn Young on Applied Economics -- 7. Allyn Young on Money, Banking and Business Cycles -- 8. Allyn Young's Role as an Author, Teach and Mentor -- 9. Young's Estimate of his Contemporaries and Earlier Economists -- 10. Concluding Remarks.
Sommario/riassunto	Allyn Young (1876-1929) was a deep thinker and achieved fame during his lifetime. His fame owes more to his style and influence as a teacher than his published work. His greatest fame as an author rests on a single economic paper on increasing returns and economic progress but he contributed much more as a mentor to his graduate students such as Frank Knight, Edward Chamberlin, and Lauchlin Currie at

Harvard and to the undergraduate Nicholas Kaldor at the London School of Economics. He shot into international fame for his role as a member of the American delegation led by President Woodrow Wilson to negotiate peace at Paris after WWI. However, recent interest in Young is more due to his thought than to his contribution to the economics profession or public service. At the time of his death, he was working on two treatises, one on Money and the other on Economics. The one on Money was at a fairly advanced stage but no trace of either was found in his family's hasty departure from London after his untimely death. There is a general dearth of published material about Young, his thought and his life. His economic thought, apart from his views on growth theory and monetary economics, is relatively unknown. This volume offers a thematic approach to his contributions and biography.

2. Record Nr.	UNINA9910411946203321
Titolo	Atlas of Optical Coherence Tomography for Glaucoma // edited by Donald L. Budenz
Pubbl/distr/stampa	Cham : , : Springer International Publishing : , : Imprint : Springer, , 2020
ISBN	3-030-46792-9
Edizione	[1st ed. 2020.]
Descrizione fisica	1 online resource (X, 204 p.)
Disciplina	617.74100223
Soggetti	Ophthalmology Glaucoma Tomografia Oftalmologia Llibres electrònics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	1. Fundamentals of OCT for Glaucoma -- 2. What Makes for a Good OCT for Glaucoma? -- 3. Retinal Nerve Fiber Layer Analysis in Glaucoma -- 4. Optical Coherence Tomography Optic Disc Parameters for Glaucoma -- 5. Macular Parameters for Glaucoma -- 6. Anterior

Segment OCT in Glaucoma -- 7. OCT Progression Analysis -- 8. Red and Green Disease in Glaucoma -- 9. Challenging Case Studies Using OCT -- 10. Emerging OCT Technologies for Glaucoma. .

Sommario/riassunto

Atlas of Optical Coherence Tomography for Glaucoma is a case-based atlas intended to teach the reader how to interpret the results of OCT in glaucoma patients and glaucoma suspects. After a brief description of how OCT is used in particular situations, chapters depict actual case presentations from authors' practices with legends that describe the case and how OCT is used to make the diagnosis of glaucoma or glaucoma progression. Emphasis is placed on where OCT can lead the clinician astray by providing false positive or false negative results resulting in misdiagnosis. The intention of the format is to make it easily digestible in a weekend read and make the practitioner comfortable with OCT interpretation. Examples are presented from all of the available OCT manufacturers.
