Sommario/riassunto	This book is a timely guide on what constitutes effective leadership in Africa. It explores how today's leaders in Africa perceive their role, the challenges they experience, and how they operate effectively as leaders. In the era of globalization, there is an increasing need to offer

guidance on how leaders can adjust their leadership style to suit situational contexts . This book illustrates how leadership can be developed and incorporates practical suggestions and tools for current and forthcoming leaders in Africa. It will contribute to the development of a new community of leaders integrating cutting-edge knowledge on leadership development in Africa.
