

1. Record Nr.	UNINA9910367571803321
Autore	Parikh Prashant
Titolo	Communication and content / / Prashant Parikh
Pubbl/distr/stampa	Berlin, : Language Science Press, 2019 Berlin, Germany : , : Language Science Press, , [2019] ©2019
ISBN	3-96110-198-1
Descrizione fisica	1 online resource (418 pages) : PDF, digital file(s)
Collana	Topics at the grammar-discourse interface
Soggetti	Linguistics - Communication Linguistics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Communication and content presents a comprehensive and foundational account of meaning based on new versions of situation theory and game theory. The literal and implied meanings of an utterance are derived from first principles assuming little more than the partial rationality of interacting agents. New analyses of a number of diverse phenomena – a wide notion of ambiguity and content encompassing phonetics, syntax, semantics, pragmatics, and beyond, vagueness, convention and conventional meaning, indeterminacy, universality, the role of truth in communication, semantic change, translation, Frege's puzzle of informative identities – are developed. Communication, speaker meaning, and reference are defined. Frege's context and compositional principles are generalized and reconciled in a fixed-point principle, and a detailed critique of Grice, several aspects of Lewis, and some aspects of the Romantic conception of meaning are offered.
