### Sommario/riassunto

This book, 'Comments on a Notorious Verdict: The Trial of Lula,' critically examines the judicial processes and verdicts involved in the conviction of Luiz Inácio Lula da Silva, Brazil's former president. It presents a collection of articles by Brazilian and foreign legal experts who scrutinize the legal proceedings of the 'Guarujá triplex' case at the 13th Federal Court of Curitiba. The book highlights concerns about the influence of political motives on judicial decisions and the implications for the rule of law, democracy, and individual liberties in Brazil. It serves as a comprehensive critique of the legal and procedural aspects of Lula's trial, emphasizing the need for transparency and adherence to the due process of law. The intended audience includes legal scholars, practitioners, and individuals interested in Brazilian politics and law.
