Sommario/riassunto	Art, Culture and Society Vol 1 is the first in a series of books to be published by Twaweza Communications on the relationship between art and society, with special reference to Kenya. It is part of a cultural leadership initiative being undertaken by the organization through a reexamination of the arts as they are produced and studied. This volume brings together important reflections on the arts and is a major step in encouraging dialogue on the relationship between creativity and the human condition in the region.
