

1. Record Nr.	UNINA9910373958203321
Titolo	Endoscopic Diagnosis of Esophageal Carcinoma for ESD [[electronic resource] /] / edited by Tsuneo Oyama
Pubbl/distr/stampa	Singapore : , : Springer Singapore : , : Imprint : Springer, , 2020
ISBN	981-329-030-7
Edizione	[1st ed. 2020.]
Descrizione fisica	1 online resource (X, 218 p. 166 illus. in color.)
Disciplina	616.99432
Soggetti	Gastroenterology Oncology Surgical oncology Gastroenterology Oncology Surgical Oncology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Part I Basic Knowledge of Diagnostic Endoscopy of ESD for Esophagus Cancer -- Basic Structure of Esophageal Cancers -- Considering Indications for Endoscopic Resections -- Diagnosis of Lateral Margins -- Diagnosis of Invasion Depths -- Part II Diagnosis and Treatment of Each Carcinoma Type -- Type 0-Is Esophageal Cancer -- Type 0-Ip Esophageal Cancer -- Type 0-Isp Esophageal Cancer -- Type 0-IIa Esophageal Cancer -- 1st Case -- Type 0-IIa Esophageal Cancer -- 2nd Case -- Type 0-IIb Esophageal Cancer -- 1st Case -- Type 0-IIb Esophageal Carcinoma -- 2nd Case -- Type 0-IIc Esophageal Carcinoma -- 1st Case -- Type 0-IIc Esophageal Carcinoma - 2nd Case -- Type 0-III Esophageal Carcinoma -- Large Superficially Spreading Esophageal Carcinoma -- Part III Practices -- Question 1: What is the Invasion Depth? -- Question 2: What is the Invasion Depth? -- Question 3: What is the Invasion Depth? -- Question 4: What is the Invasion Depth? -- Question 5: What is the Invasion Depth? -- Question 6: What is the Histological Type? -- Question 7: What is the Histological Type? -- Question 8: What is the Histological Type? -- Question 9: What is the Histological Type? -- Question 10: What is the Diagnosis? -- Question

11: What is the Diagnosis? -- Question 12: What is the Diagnosis? --  
Question 13: What is the Diagnosis? -- Question 14: What is the  
Diagnosis?.

Sommario/riassunto

This volume addresses three general themes in the preoperative diagnosis of early-stage esophagus cancer starting. Beginning with detailed observations of diagnosis using Endoscopic Submucosal Dissection (ESD), subsequent sections describe the current medical treatments for various types of carcinoma and conclude with detailed explanations of difficult cases and their diagnoses. The book also includes a wealth of endoscopic and pathological figures, helping scholars understand the diagnosis and treatment visually. Endoscopic Diagnosis of Superficial Esophagus Cancer for ESD is an essential book for clinicians and professionals in the fields of endoscopy and gastroenterology, offering them a comprehensive guide to diagnosis and treatment using ESD. Further, it is a valuable companion piece to the Editor's well-received book Endoscopic Diagnosis of Superficial Gastric Cancer for ESD.
