## Nota di contenuto

1. Theological responses in England to the South African War, 1899-1902 -- 2. Theology, nationalism, and the First World War : Christian ethics and the constraints of politics -- 3. Missionaries, modernism, and German theology : Anglican reactions to the outbreak of war in 1914 -- 4. The Church of England, Serbia, and the Serbian Orthodox Church in the First World War -- 5. Anglo-German theological relations in the First World War -- 6. The Sanday, Sherrington, and Troeltsch Affair : theological relations between England and Germany after the First World War -- 7. The 'sad story' of Ernst Troeltsch's proposed British Lectures of 1923.

## Sommario/riassunto

This book is the first detailed discussion of the impact of the First World War on English theology. Assessing the close relationships between English and German theologians before the First World War, Chapman then explores developments throughout the war. A series of case studies make use of a large amount of unpublished material, showing how some theologians sought to maintain relationships with their German colleagues, while others, especially from a more Anglo-Catholic perspective, used the war as an opportunity to distance themselves from the liberal theology which was beginning to dominate the universities before the war.
