

1. Record Nr.	UNINA9910375781803321
Titolo	Proceedings of the 2019 ACM Southeast Conference // Dan Lo, Donghyun Kim, Eric Gamess, editors
Pubbl/distr/stampa	New York, NY : , : Association for Computing Machinery, , 2019
Descrizione fisica	1 online resource
Collana	ACM Conferences
Disciplina	004
Soggetti	Computer science Electronic data processing
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	It is our great pleasure to welcome you to the 2019 ACM Southeast Conference (ACMSE 2019) sponsored by ACM, and hosted at Kennesaw State University, Kennesaw, GA, USA. ACMSE 2019 continues the ACM Southeast Conference tradition of participation in all areas of computing disciplines. We hope this conference will be a great opportunity to share current and future hot research trends amongst researchers from around the world.
